

M.B.S Cross-Country 2020

Friday 14 August

At the Mangawhai Domain

Optional/Competitive for Year 3 - 8 students only
Middle, Senior and Intermediate Syndicates

Kia ora whanau,

This year the Cross-Country has been made optional/competitive (like the swimming sports). All the students have been asked if they would like to participate by their class teacher. Please have a conversation with your child to check if they are participating.

Below is the timetable for the day. We will stick to the start times as listed. Please note they will be running in age groups based on their age on the 1 January 2020. The runners will be walked to the Domain prior to their race. Their teacher will take them back to school once their race is finished. They do not have to stay at the domain for the entire day. No uniform is required. Shoes are optional. A change of clothes and drink bottle will be necessary.

It is **very important** that all spectators remain off the track and well away from the finishing line as we would like all students to have the chance to do their best. We also need to ensure all your children are safe and accounted for, **you must sign your child out with their teacher if you take them home from the domain.**

If you are able to assist with marshalling could you please email smckenzie@mangawhaibeach.school.nz

Thank you very much for continuing to support your children and our school.

Nga mihi Sharee Mckenzie (Sports Coordinator)

Race Times
Age Group based on the student's age on 1 January 2020
