Life Long Learners making a positive difference

PRINCIPAL'S SOAPBOX

What a fantastic term we have had at Mangawhai Beach School. We have had many successes on the sporting field this term with our Ripa Rugby teams coming 1st and 2nd in their respective grades. Our 7's team made it all the way to the Northland Intermediate Sevens Rugby Champs. The team will play in North Harbour Stadium in the afternoon prior to the Blues playing the Sharks - a great result. We had a number of successes in the Ray White Kids Triathlon in Onerahi and many of our children received top ten placings in the Northland Swimming Champs. You cannot say that MBS doesn't have its fair share of sporting achievements. Congratulations to all of our children for their active involvement in sport at our school.

Not only have we had a successful sporting term, but we have also had an extremely positive school term. We have held parent workshops, come 2nd in the Northland Literature Quiz and run some wonderful fundraising and community events, from movie nights through to quiz nights.

Thank you to everyone in our community that supports our school, we would not be as successful if it wasn't for the assistance and generosity of our community.

Mangawhai Beach School is the place to be. We have the best teachers, great resources and of course amazing students. Have a great term break. We hope to see all our students back fit and ready for a busy learning in term 2.

MUFTI DAY ON THURSDAY 17TH TO HELP BROOKLYN TO GET TO AMERICA – \$2 DONATION TO WEAR MUFTI. ALSO \$2 SAUSAGE SIZZLE ON THURSDAY. Place your order outside the Jnr block before school on Thursday.

Educational Update

This educational update is to acknowledge the amazing support that the school has had from two incredible people - Jo Yuretich and Pat Scott. Both have recently stepped down from their respective roles on our fundraising team. We have, and will continue to have, an amazing group of talented parents who support the school but both Jo and Pat have been longstanding supporters of every event that has taken place at MBS. Jo, I would like to thank you for the years of support that you have given to the fundraising efforts of our school. You have always believed in our school and tirelessly supported the vision of making our school one of the best in Northland. Thank you for the hours you have put into organising bake sales, discos, rally events and of course our amazing Agricultural Day. You are a star. Pat Scott, you don't even have any children or grandchildren at MBS, but you still supported us with organising all of the food at events. You are a super cook and I am going to miss your baking and food goodies. We are lucky that Pat has slipped into your shoes because we all know they are big shoes to fill. Thank you for supporting MBS.

On Monday 31st March bus route 5 was changed slightly. From now on, the bus will NOT travel on Lake Road, instead it will travel Te Arai Point Road and Ocean View Road. According to our address database, there are no families affected by this change.

A reminder that the buses are provided by the Ministry of Education to get children to and from school. The buses are not provided to take children to after school sports, play dates or birthday parties. If you value your bus service, please do not abuse the conditions.

If you would like your children to participate in some fun activities during the holidays, book them into our Holiday Programme. Jen and Jaki have organised some fantastic projects during the last couple of holiday breaks and have another fun filled week planned for this break. A minimum of 10 children are required per day – any less and the programme will not run so please let us know if you intend to book your child/children in **BEFORE THE END OF TERM.**

No manual for our Intermediate Syndicate tomorrow as Rodney College hosts the Ti Tai Tokerau Festival for two days.

Fuel for Schools is a school sponsorship programme that provides all schools throughout New Zealand with an innovative way to raise additional funds.

Southfuels & Northfuels developed the Fuel for Schools programme as a way of supporting the rural communities where the majority of our customers reside. We set aside a portion of our marketing budget each year to absorb the costs of the donations so our customers are not charged a premium on their fuel for participating in the programme. It's our way of saying thank you and putting something back into the community.

As a Southfuels & Northfuels customer you can participate by nominating a participating school who will receive 50 cents for every 100 Litres of bulk fuel that you have delivered. CONTACT NORTHFUELS IF YOU WOULD LIKE TO NOMINATE. MBS – 0800 999 986
