

Mangawhai Beach School AG Day

25th October

Dear Parents and Caregivers,

Our school AG Day is coming up and there are a few things the children need to make for the day. Here is some important information for you.

- **Wednesday 22nd October - Scarecrow making** (morning block)

Parent helpers needed to help make these please. We also need old sunhats, shoes, gloves, scarves, waist coats etc. that we can use to dress our scarecrows in. Hay will be supplied by the school.

- **Friday 24th October - Vegetation Creations and Vaseline Lids/Saucers for Ag Day.**

Parent helpers needed to supervise children with these. Children will need: flowers, leaves, vegetables, fruit, toothpicks etc. (see next page for ideas) If children are bringing in fruit and vegetables, it might be a good idea to have these cut up ready, as we don't want children using knives at school.

- **Saturday 25th October - Ag Day.**

Parent helpers are still urgently required to help on Ag Day. Please register your name at the office if you can.

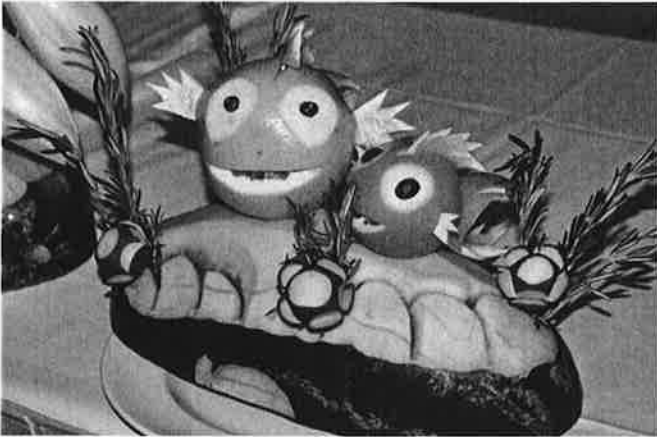

Thank you for your support.

See you at AG Day!
