You may have heard the phrase “Positive Behaviour for Learning” being mentioned at school (PB4L for short). This is about getting to know your child(ren) and working with them to make school a happy and safe place for learning. To do this we are having specific lessons each week to teach our students the expectations we have for behaviour and routines around the school. This means that everyone is getting the same message at the same time, and there are no sets of different rules for different people. It would be really helpful if you as parents can reinforce and model the same expectations at home where applicable, and/or around school. Last week we focused on Assembly behaviour - how to treat visitors who are speaking to us, how to enter and exit quietly.

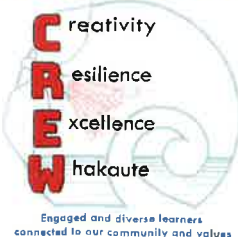

This week we are learning about bus behaviour, lunch eating and school crossings. If you could support the school by using the school crossing, kiss and drop zone and crossing other roads appropriately at all times we would appreciate it. Please also keep the bus bay and our turning circles free at all times.

From the ACE team: Aaron Kemp, Cherylene Neels and Emma Grieve

For those new to our school and those that need a refresher..... in following newsletters we will feature one of our values and what it means at Mangawhai Beach School.

Mangawhai Beach School

CREATIVITY

When we hear the word creativity we often think that it relates only to art and craft. It does, but is only a small part of what the value means. **Creativity** is also the act of turning new and imaginative ideas into reality. **Creativity** is the ability to see the world in new ways, to find hidden patterns, to make connections between seemingly unrelated things, and to generate solutions to problems. How creative are you at home with your children. Do they see you problem solve or coming up with ideas for projects? Why not give it a try and explain to your children how you are being creative.

SPORT SHIRTS: Any children wanting a shirt in their house colour for sports and competitions, these can be ordered from the school office. Price is to be confirmed and order details will follow in upcoming newsletters.

GENERAL HOUSEKEEPING

No access for unauthorised persons

Visiting the School Grounds. If you are visiting the school for any reason you **MUST** log in first at the school office and obtain a visitors pass – this is a health and safety requirement.

In case of emergency: If a situation arises during the day that will change your child's home time routine, we can send a 'green note' to the classroom to advise your child of this change. **Please note this is not for everyday reminders.** Reaffirm after school arrangements with your child in the morning so reminders are not necessary and keep school arrangements consistent so as not to confuse your child.

GREEN
NOTE

School Uniforms: Uniform shop is open every WEDNESDAY. You are welcome to come and try on if your child needs a bigger size or just purchase outright. A small selection of second hand uniforms are available.

School Buses. Buses are provided to take children to and from their home not to after school sports/arts or friend's houses for play dates. Please let the office know if your child is not on their normal bus in the afternoon **before 2:00pm.**

Absences. Please advise the office before 9:30am if your child/children are not attending school on any given day. The Ministry of Education requires the reason for the absence. You can either leave a message on our answering service 09-431-4385 or text the school mobile 0223957708. **YOU MUST CONTACT THE SCHOOL EACH DAY YOUR CHILD IS AWAY.**

Recycle Mobile Phones. The school has a collection box for old mobile phones. Phones collected help our school gain valuable rewards and also the environment benefits by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop any unwanted mobile phones you may have in the collection box in the office.

Online School Shopping – coming soon!

We are excited to let you know about our online school shop, which will be opening this term.

Families will be able to pay for more of your child's school needs online.

Our online shop will be open 24/7 – and will be our preferred method of payment.

Plus we'll be adding more items to our school shop throughout the year 😊.

It's never been easier – pay anywhere, anytime!

More information will be coming soon – so watch this space.

About The Event

This event is all about FUN, enjoying the great OUTDOORS and spending time with FAMILY and FRIENDS!

Teams of 3 or 4 – (there has to be at least one adult in every team of children). Adults are also allowed to enter without the kids if they prefer.

The event will be held on a beautiful property in Magical Mangawhai Northland. Your team will be handed a map of the property. On the map will be multiple check points. As a team you need to decide the best way to get as many check points as possible. It is totally up to you which ones you do and which you don't but you only score points for those check points completed. At many of the check points there will be a team activity/challenge you need to do before moving on (think finding, climbing, balancing, making, aiming, guiding etc). Once you have as many check points as you can you head back to the finish line for yummy food, high fives and prize giving.

Oh one last thing - this is very much a team event so you need to stay within 20 metres of each other (unless directed otherwise) so sorry no sending the fit speedy ones off to do the leg work! Bring in the fun!!!
