PRINCIPAL'S SOAPBOX

Welcome back to school and the start of week eight. Our children have returned to school keen and eager to resume classroom learning and to be with their friends. It was wonderful to see so many happy and smiling faces. Thank you to all our parents who supported the teaching staff with online learning over the lockdown period. Please note that many of our planned events have been rescheduled so please keep checking our online calendar for updates.

20th September sees the NZ Blood Service using our Recreation Centre for their blood drive which has historically been in the Library Hall at the village. If you are normally a blood donor, you will find their collection team onsite next Monday 20th September. Under Level 2 there are no walk-ins permitted so if you would like to donate blood, please make a

booking via their website: <https://www.nzblood.co.nz/book-to-donate/>

As our school continues to grow you might see more staff changes. We are currently advertising for a new entrant teacher to start another class in Term Four. We will introduce our new staff members when they have been confirmed.

Please reiterate home time arrangements to your children each morning to avoid afternoon confusion. It is better for children if routines remain the same each day, and perhaps you can remind them by writing on their hand. Bus (B), Walking (W) or Pickup (P).

The school office is open for uniform try-ons on Wednesday morning otherwise, just order your clothing items through Kindo and we will send them home.

Recently you would have received an email from Hero asking you to check your school account. We have a large number of outstanding charges from 2020 and ask that parents please bring their accounts up to date. Remember that Kindo will not show outstanding balances, check your statement via Hero and pay for items through our payment portal, Kindo.

**YOUR ACCOUNT
IS PAST DUE.**
*We would appreciate
your payment today!*

Beeswax Wraps

Do we have any crafty parents who would like to help us make Beeswax Wraps? We have a block of wax from our last hive extraction and have no idea how to go about making these. With the help of somebody in the know, we can make wraps to sell to help fundraise for new bee suits for the next group to work with the hives. Thanks in advance.
