# Tuesday 4<sup>th</sup> June 2013

*Life Long Learners making a positive difference*

## PRINCIPAL'S SOAPBOX

Later this week, the results of the BOT elections will be revealed. It is wonderful to see that we had seven keen parents who raised their hand to support our school. Good luck to all those nominees. I would like to acknowledge the wonderful support of three of our trustees who have stood down from re-election after serving the school for many years. They are Natalie Epsom, Steve Waldron and Natalie Alispahic. Natalie Epsom has been the school staff trustee and has always looked after the needs of the school with passion and focus on what is best for our children. Thanks Nat. Steve has supported the school through many property developments and has worked tirelessly over the years to ensure that the school always looks amazing. Thank you Steve for your dedication to MBS. Natalie Alispahic has supported the Board with her business skills, knowledge and expertise and has left the school in a very positive financial position. Thank you Natalie.

**Punctuality** – We are having a number of students arriving at school after the bell has gone for class. School starts for the day at **8:55am** and we expect students to be at school and ready to begin work before the bell rings. Students that arrive later to class, miss vital morning instructions, disrupt class and affect electronic rolls so please be at school on time, each day.

**Payment of Activity Fees** – When a notice is sent home from your classroom teacher, or a request is made through the newsletter for an activity fee to be paid, we will be expecting these fees to be paid as soon as possible. An unfortunate situation occurred last week with the Strike Performance when we had in excess of 40 students paying for this on the day of the activity. The payments had to be processed through each family's account before class lists could be produced for the teachers to ascertain who had and hadn't paid for this activity. Unfortunately due to the amount of payments the office had to process in the hour before the performance, and miscommunication to the teachers, children who had paid that morning missed out on the show. To avoid this situation happening again, we will be introducing and enforcing cut-off dates for receiving payments for all activity fees.

**\$1 SOCCER SKILLS AND \$2 MIDDLE SYNDICATE ART CHARGE ARE DUE NOW – PLEASE PAY BEFORE FRIDAY 7<sup>TH</sup> JUNE.**

**Concerns with other Children** - If you have a concern or issue with another child at the school, please do not take it upon yourself to discipline the child over a school issue. Your first port of call is to contact the classroom teacher or office. We do not want parents disciplining other parents' children over a school related matter.

With the colder months approaching, it would be helpful if parents of younger students, sent along a change of clothes in their bags each day in case of accidents. The school's supply of spare uniforms have been depleted so we no longer have any spares that we can change students into. If you have been lent any uniforms by the school, could you please wash and return these to the office.

On the subject of uniforms, families are being reminded of our uniform policy. Polo shirts are to be worn in a clean and tidy condition. Heavily soiled or torn shirts are not acceptable and will need to be replaced. Black undergarments are permitted under polo shirts in the winter for extra warmth as well as black stockings or leggings for girls.
