Concerns have been raised at Government level about the issue of bullying in schools, and the Otamatea Community Services has been asked to scope the issue in the Otamatea District. We are well aware that schools in smaller communities do not have the same level of bullying as their city counterparts.

The Mangawhai Beach School has kindly made the library available, and there will be a presentation on Wednesday evening the 26th at 7.30pm. There will be an opportunity for interaction and questions from parents, with a corresponding opportunity for school Staff to set out their principles and protocols.

Supper will be provided.

We look forward to meeting you there.

Denise Meiklejohn and the Otamatea Community Services Team.
