**Re: Moir St Camp EOTC Day Trip. Friday 5<sup>th</sup> April. 9am -2.20pm.**

Dear Parents and Caregivers of Intermediate Students,

As part of our Outdoor education plan this term, our students will be spending the day at the above mentioned camp participating in team challenges and outdoor activities.

We will require parents to help transport students on the day and move around the activities with a group. If you can come along, you will be with some other adults coordinating your group at each activity. Each activity will have an instruction card for you to follow and you will meet with Shane Gould on the morning of the trip to go over the day's events. Some of the activities are; tent building, bush skills, Burma trail, flying fox, water slide and archery with an instructor.

We will need about 5 parents per class. If you are able to come along and assist, could you please fill out the attached form and return it to your classroom teacher ASAP.

In order to offer our student's experiences such as this, we do rely on your support. So thank you to those of you who can make time to come along and make this happen.

Kind regards,

Natalie Epsom, Andrea Fulton & Jaimee Fletcher  
Intermediate Teachers
