Thank you to all our parents who added their submissions to the Kaipara District Council. Luke (Board Chair) and Aaron had a meeting with Jonathan Larsen on Sunday week to discuss the possible upgrades. We are hopeful of achieving a pedestrian crossing and new signage. We were also shown the district plan for Mangawhai which includes a major revamp of Insley Street. This will hopefully provide solutions for our students at the carpark area by Bammass.

For AG Day (October 20th) this year Aaron is on traffic management. We are getting in early for helpers to assist with traffic on the day. If you can give us a couple of hours on the day to assist please either text Aaron on 027-3798886 or email akemp@mangawhaibeach.school.nz

Have your children been talking about whakaute (respect)? Is this a value that is modelled and understood in your home? It is probably one of the most important values that we can instil in our children. Respect is not just about listening to others, or treating others and the environment well; it is also about our children feeling good about, liking and valuing themselves. It is about them knowing that they are unique, lovable, capable and valuable; and it is about self-respect. You as parents and whanau have the ability to model and develop whakute in your home and children. If you expect please and thank you, set boundaries, listen to your children, and show respect to yourself and others, then they will copy that behaviour, and become the adults that we are all working towards helping them to be.

From the ACE team: Aaron Kemp, Cherylene Neels and Emma Grieve

The Hub is back in T2. Remember you can make an appointment at any of the 'Hubs' or just turn up for an impromptu meeting. I do highly recommend making an appointment if you have things that need discussion and you want to have focused attention. We are seeing great results and hearing wonderful things around parents' visits. Remember to take your child with you. This is the link for The Hubs Facebook page. It's full of information and strategies for you.

GENERAL HOUSEKEEPING

In case of emergency: If a situation arises during the day that will change your child's home time routine, we can send a 'green note' to the classroom to advise your child of this change. **Please note this service is not for everyday reminders.** Reaffirm after school arrangements with your child in the morning so reminders are not necessary.

School Uniforms: Uniform items are sold every Wednesday. You are welcome to come and try on if your child needs a bigger size or just purchase outright. If you would prefer to order and pay online, please send an email to office@mangawhaibeach.school.nz detailing the size, items required and pay directly into the school account (12-3094-0106669-01) with your child's name and 'uniform' as a reference. Garments will be sent home with your child.

Absences. Please advise the office before 9:30am if your child/children are not attending school on any given day. The Ministry of Education requires the reason for the absence. You can either leave a message on our answering service 09-431-4385 or text the school mobile 0223957708. **YOU MUST CONTACT THE SCHOOL EACH DAY YOUR CHILD IS AWAY.**

School Buses. Buses are provided to take children to and from their home not to after school sports/arts or friend's houses for play dates. With more than 300 students to organise on buses in the afternoon, it is important that the office keeps an accurate check list of children riding the bus home in case of an accident or emergency. Please let the office know if your child is not on their normal bus in the afternoon **before 2:00pm.**

Visiting the School Grounds. If you are visiting the school for any reason you **MUST** log in first at the school office and obtain a visitors pass – this is a health and safety requirement.

Recycle Mobile Phones.

The school has a collection box for old mobile phones. Phones collected help our school gain valuable rewards and also the environment benefits by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop any unwanted mobile phones you may have in the collection box in the office.
