Life Long Learners making a positive difference

PRINCIPAL'S SOAPBOX

I love being the Principal of Mangawhai Beach School. Did you see that amazing turnout at our annual AG/Gala Day? It was incredible. Thank you to everyone who sponsored, supported, assisted and got involved in making the event so successful. Parents, teachers, students, FOMBS and wider community members you should be proud of your efforts and achievements. Everything was a great success.

For me the best parts of the day were the efforts of our students. From raising calves and lambs to playing on stage, to being part of a dance group or the Kapahaka, to running stalls and games, to working on the radio station all of you showed what it means to be part of the best school in Northland. You showed the values of our school and gave best effort - I am extremely honoured to have children of such a high calibre at our wonderful school.

In case you hadn't heard or didn't read our facebook page we have made in excess of \$30,000, an incredible and record breaking sum! Well done Mangawhai Beach School - we keep going from strength to strength.

Speech Competitions - The MBS speech competitions are on Friday 8th November at 11.30am in the gym. Parents are welcome to attend. The winners of the competition will go on to represent our school against Wellsford Primary on Wednesday 13th November.

Beach FM 87.8 - The student lead radio station has been blasting every lunchtime over the last four weeks. Please remember to tune in and listen to our students read stories, play music and practice their DJing skills.

What's on this fortnight - The Intermediate syndicate are off to technology at Rodney College. We have a Middle syndicate assembly at 1.40pm on Friday. Our speech competitions are on the 8th November and the Life Education Truck visits the school from the 11th. Please ensure you have paid your activity fees so that your child may visit the Life Education activities.

EOTC Activity Fees - Term 4 activity fees are now due for payment at the office. If you are having trouble paying these activity costs please contact the principal as we may be able to support you.

Educational Update.

The Virtue for the next few weeks is Joyfulness. Joyfulness is the emotion of great delight or happiness. Happiness may be caused by luck or good fortune. Joy is caused by elation at a moment in time. Joy may not always be about oneself but be about others' contentment also. Happiness is about the self's pleasure. Happiness may dwell on materialistic, worldly pleasure while Joy is derived from soul satisfying, emotional well being. While happiness comes from outside things, joy is about inner self. To quote an example here: If one wins a lottery of \$10,000, they would be very happy but if that person works hard and sets up his business and earns \$10,000, he would feel joy. Though the ultimate benefit is the same, the cause being different makes the final emotion different. Salinger once said "*The fact is always obvious much too late, but the most singular difference between happiness and joy is that happiness is a solid and joy a liquid.*"

At MBS one of our aspirations is "Having Fun". This means enjoying everything that our school has to offer. It means getting involved and doing everything with a joyful heart. When we have joy we are pleased for others successes as well as our own. We are content in all things even when life throws us the ups and downs.

Jump Rope for Heart – All Jump Rope money should have been brought to the office now. Thanks to the students who participated, sponsors and families that supported this worthy cause. Estimated money raised is \$1500.
