MARCH 2016

Swim For Life

Our Swim For Life programme ends on Wednesday 9th March.

We will still have swimming on Monday, Wednesday and Friday as long as this lovely fine weather stays. If your child is not swimming, they need a note from home explaining why.

Term 1

Wow – it is already week 5 and we are in full swing with our learning!

Our class library day is Tuesday, however, your child can go to the library any day during their lunchbreak to return or issue books.

Please remind your child to bring their **Book Bag** to school **every day!** It is really important that our books are protected and it ensures notices and homework books get home in one piece.

Every week your child has homework to do. They have spelling words to learn, reading books each night, Maths Whizz in replay mode and literacy activities on Reading Eggs.

Please, please, please make sure your child reads to you every night!

Tissues Tissues

Can you bring in one box of tissues for your child to use in class?

Thank you.

Uniform

It is now Week 5 and your child should have all the correct uniform items. Please see the office if you need a payment plan to buy the items required.
