**Wellsford Sports Coaching.**

Dear Parents and Caregivers

We are looking for some assistance in training up our students in preparation for our upcoming Wellsford Sports Exchange.

Our Physical Education Block has been timetabled for 11.30 – 1.00 pm on Wednesdays.

The sports we will be engaged in are Touch, Basketball, Cricket, Dodge ball and Tee Ball. If you could assist in coaching in any of these areas we would welcome your support. You will be given the rules required on the day and a great positive group of students to work with. We will be teaching the students skills associated with the sports and how to play the game.

We will also be choosing the most skilful and strongest team in each sport to compete against Wellsford.

Please let me know if you can help by email or by the form below.

Thank you.

Susan Butler
