

15th October 2014

Dear Parents/ Caregivers

This year your child has shown an interest in playing in our ukulele group. The upcoming Ukulele Festival is being held this term on Saturday 29th November (week 7). The Festival is held at the Trust Stadium in Henderson West Auckland.

The Festival is an enjoyable day out for the students and their families. I would like to know whether your child is interested in attending and if your family would like to come down as well. This will give me a better indication of the numbers and transport as we will most likely carpool down there together.

Please fill in the slip below and return to school as soon as possible.

Regards

Hannah Whittington

Name _____

My child would like to attend the Festival Yes No

We are able to transport our own child to the venue Yes No

Would you be able to transport extra students? How many?
