## **SCHOOL IS CLOSED ON WEDNESDAY**

**The Board of Trustees has decided to close the school on Wednesday 15<sup>th</sup> August due to only skeleton staff being available because of the Teacher's Industrial Action**

**Sports Awards Assembly:** We are having a special sports awards assembly on THURSDAY 16<sup>th</sup> at 1:30pm. We will be presenting 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> certificates to our Cross Country winners and also presenting our Rippa Rugby certificates for our Rippa Team who have been successful this season. Special guests from the Northland Rugby team will be here to present the cup and certificates to our players.

**Intermediate School Camp:** Parents of students in the Intermediate Syndicate would have heard whispers about the upcoming camp in November. While final arrangements are still to be made, our suggestion is that you start making regular automatic payments towards the cost now so you are not struggling to make the payment so close to Christmas. Approximate cost \$300.

**Influenza – or the flu – is a virus that spreads quickly from person to person. Symptoms include fever, chills, aches, runny nose, a cough and stomach upset.**

**Signs and symptoms of influenza can include: fever (a temperature of 38°C or higher), cough, sore throat, runny or stuffy nose, body aches, headache, chills, stomach upset, vomiting or diarrhoea.**

**It may take between 1–4 days to feel symptoms after you catch influenza. The worst symptoms usually last about 5 days, but coughing can last up to 2–3 weeks. If your child(ren) is/are unwell, keep them at home until they are better so they don't make other children or our teachers sick.**
