## Principal's Soapbox

### Don't forget our Pōwhiri is tomorrow starting at 9:15 am.

Our Pōwhiri is a 'Ritual of Encounter'. It is a traditional cultural practice of Aotearoa. This is a very special time for Mangawhai Beach School. It is where we meet as a school and greet all our new whanau. Our students are welcomed into their classes and our parents/new staff into the school. Our Kapa Haka group lead the celebration and we share waiata followed by kai in the staffroom.

### **Week 2 was a fab week for MBS!**

Wellsford Sports was a HUGE success - we bought the cup home! We won all our games except for two that we drew. A huge thanks to the students, staff and parents who attended and had such a fun day. We had our FoMBS AGM and elected Rebecca Verhulst as president, the secretary is Tracey Henley and our treasurer is Arrum Stones. If you are interested in supporting FoMBS please do connect with them. It's a fun group of people.

The Science Roadshow was hosted by us. All our students went to visit the show and shared in some great 'shows' which were live experiments, a brilliant way to grab their interest, followed by hands-on learning with over 15 stations dotted around the school gym.

### **Grumble time!**

**Buses:** We have been having a growing number of incidents on our school buses. Students with inappropriate behaviour and refusing to listen to the driver or our bus monitors. Everyone has been sent home a bus conduct form to sign, whether you come to school on a bus or use the buses for EOTC, this explains our rules very simply. We will be forming a visual (just like our Behaviour Flow Charts) to share with you and your children to be VERY clear about what happens when behaviours occur. Using the bus service is a privilege and this could be revoked if bad behaviour continues.

**Parking:** We have complaints from the residents of Kedge Drive about the lack of Whakaute to their properties and the berm by our parents who are parking here when collecting their children. Please DO NOT block driveways, leave litter and cans or allow your children to run into other people's properties shouting and being loud. Wet weather will result in damage to grass berms so please be considerate. Many thanks.

Looking ahead to this week, we are excited about:

School-wide Whānau Hui - 15th Mei at 5pm. This will be held in Rooms 16 & 17 (Te Reo Hīnātore). This hui is open to ALL whānau Māori across our kura. We will be sharing current kaupapa within MBS and Hīnātore as well as discussing the topic of parent/whānau engagement. Nau mai, haere mai! We would love to hear your perspectives.

Pink Shirt Day / Disco - THIS FRIDAY. It is a mufti day when the students all wear pink, dress up and have FUN! PLUS get your best outfits out, it's time to boogie at our Pink-themed Disco fundraiser, run by FOMBS.

Junior disco (Yr 0-4) from 5-6 pm and Seniors (Yr 5-8) from 6.15-7.30 pm. Gold coin koha. We'll have hotdogs, lolly bags, glow accessories and water for sale. If you can help out while your child is enjoying their session, and/or with set-up **or pack-down** please email [fombs@mangwhaibeach.school.nz](mailto:fombs@mangwhaibeach.school.nz).

**Upcoming BIG Events for T2 - we need your support!:**

**PATS** start next week. These are for years 4-8. It is really important that your children have early nights, great breakfasts and are at school on time each day. Your class teacher will let you know what is happening and when.

Teacher Only Day (7th June). This day has been allocated by the Ministry of Education and our Kahui Ako to provide professional development in writing for our staff. Writing is our strategic goal for 2024/25, ensuring we meet the needs of our students.

Matariki Celebration - On Tuesday 25th June we will host our school celebration for Matariki 2024. We will follow the same format as last year with a dawn gathering and intentions fire, followed by shared breakfasts in classes. More details will follow later in the term. We hope you will join us!

**Colour Monsters:**

These are amazing monsters who help teach our Junior students to connect with their emotions and rise to challenges. Unfortunately, we are one colour monster short for each Junior room - the Rainbow Monster, who represents the feelings of confusion and doubt - not knowing how to deal with a situation and where to go for help. We wanted to know if there was someone in the community who could make us Rainbow Monster Fluffy toys - these are small beings who our kids love! If you can help - please email [egrieve@mangwhaibeach.school.nz](mailto:egrieve@mangwhaibeach.school.nz)

# mind over manner.

## REALISING THE POTENTIAL OF DIFFERENTLY WIRED MINDS

### Mind Over Manner is coming to Mangawhai to deliver a free Neurodiversity Workshop for community (not suitable for children)

Our workshops use the power of theatre to introduce participants to an alternative way of understanding so many young people . Takiwatanga - those who live in their own space and time

Mind Over Manner provides education about those who sense and learn differently. Our experienced team of actors show how a young person's sensory perception and cognitive relationship to the world can often result in rude, shutdown or confused behaviour.

We will bring a number of charged scenarios to life, then work with you, our participants, to unpack, bring our collective learnings and re-evaluate our responses to the difficult situations that often arise.

These workshops are relevant to all people who live alongside or work with young people who have behavioural, sensory, and learning differences. We encourage whanau, professionals, and ALL members of the community to engage in these eye-opening and intriguing workshops.

*"It is the most powerful, emotionally charged and practical professional learning I have ever experienced."
