12:45pm - 1:20pm Lunch play

1:20pm - 1:30pm eat Lunch

1:30pm Period 3

2:45pm End of School

We have had another fantastic term at MBS with our learning and curriculum activities. We also need to give ourselves a big pat on the back for our fundraising efforts, sports competitions, and kapā haka performances. We have said farewell to some good people this term but also would like to welcome awesome new members to our team. Just recently, Autumn and Jocelyn have joined our team of Teacher Aides to help support our students in class and next term we welcome Joanne Denekamp who will be taking over from Joelle in room 4. We would also like to welcome our new Board members who have just recently had their first meeting, it was a long one but we assure you they won't all be like that!

Our plans to create an outdoor space for our Intermediate students are underway with the recent clearing and planting of the bank behind rooms 14 and 15. Our vision is to have a concrete area for ball games and multipurpose turf area with shaded seating for chilling out on the hot summer days. It is also our intention to utilise the estuary more with our SUP boards, kayaks and a small tender recently donated by our departing board member Michael Becker. We also have some exciting things planned for the upcoming electives which include robotics, breathing & movement, 3d printing, sports, art and music.

Communication: We have many means of communicating with our parent community – newsletters, Facebook, website, Seesaw, text and email messages but this has to be a two way street. Parents need to be proactive about receiving our information, by asking children for newsletters that they may have squirrelled away in their bag, by contacting the classroom teacher, the office or by getting online and scrolling through our online calendar, website or Facebook page. We have also just recently introduced our **SCHOOL APP**. Our new **SCHOOL APP** has the facility for you to receive alert notifications, get up to date information from our school calendar and staff contact information. There are also links to community groups like, soccer, netball, surf lifesaving and well as the facility to report daily absences. We will be encouraging as many parents to get on board. To download the app just search SchoolAppsNZ in the app store, and then enter our school name to find your School App. Please see this video for more information - <https://www.youtube.com/watch?v=45QOeaaORFc&t=1s>

Can you help?

Next term we would like to start an arts and crafts club for students to go to one lunchtime each week. We have super keen Intermediate students who will run the club but it would be best if they had adults to help them as well. Lunch time is from 12:45 till 1:20, you would be there to have fun and help supervise the students. If you love crafting and have some time to spare please contact Sharee Mckenzie. smckenzie@mangawhaibeach.school.nz

FoMBS

MEETING

Thursday 4th July at 7:30pm

All welcome

COMMUNITY NOTICES

Walking with the Dinosaurs
